

HORNDON 10K 1989 RESULTS
 On behalf of the Horndon on the Hill Society may I thank you for entering this years race. The weather was very hot (as usual for this event) but we did our best with a water station and hoses and I hope you enjoyed yourself. Next year we may try for an earlier start time as this has been requested by many of you. We have to consider the crowds in the High Road, the traffic into the village and clashes with other attractions on the day. Let me conclude by congratulating all the finishers and we look forward to seeing you next year on the 24 June 1990.

Peter Woodard
